New York Stock Letters.

James A. Pollock & Co., bankers and brokers, 6 West Second South street, received the following stock market letters from their New York correspondents over their private wire yesterday afternoon:

Logan & Bryan say: "The volume of business broadened out, but in the main was at the expense of values. Quite a selling movement set in about noon, but selling movement set in about noon, but prices railied easily, regaining the greater portion of loss. Through most of the day trade was of an indifferent sort, traders as a rule being reductant to venture an opinion as to the course of prices. The market is a slow affair and likely to continue a scalping one for the immediate future.

Dick Bros. say: "Routine news was fabick Bros. say. Routine news was favorable and crop advices were encouraging. In the early break the weak features were B. R. T., Amalgamated. Smelter and Union Pacific, T. C. I. and C. F. I. were strong features, also Reading was strong. The market closed quiet but firm for the first time in several days."

BEARS ARE KINGS IN CHICAGO WHEAT PIT

Sharp Break in Prevailing Prices; Market Closes Generally Weak.

CHICAGO, May 23 - Sentiment in the wheat pit today was bearish from the opening to the close. The main factor in the situation was wet weather in the Southwest. According to the weather bureau rain had fallen during the night throughout Kansas, Nebraska and other portions of the winter wheat belt, breaking the drougth in that section of the country. The weakness was increased by a forecast of still more rain tonight. A sharp break in the price of the May delivery following the decline of yesterday also weakened prices in general. There was free selling by local longs all day and the market received its main support from shorts, who covered freely as prices declined. The close was weak. July opened 10 per 10 pe Southwest. According to the weather

Liquidation by local bulls caused weakness in the corn market. The selling was induced principally by the wet weather, which was general over the corn belt, and the break in wheat also weakened values. Increased receipts at primary points was another bearish influence. The market closed weak and near the lowest point of the day. July closed %c off, at 47%c.

Trading in oats was active and the tone of the market weak. July closed %2%c off, at 22%.

Provisions were slightly easier early in the day because of mederate selling by pit traders, who were influenced by a 5c decline in the price of live hogs. Later the market became firmer on buying by a local packer. At the close July pork was up 24c, lard was a shade higher, and ribs were 24c higher.

Weak, Nervous, Restless at Night, and Weak, Aching Back, Diseased Kidneys, Inflamed Prostate, Despondent, Lack of Energy, Ambition and Strength, Poor Memory, Hollowed Eyes, Face Pimples and Worry, Exhausting Dreams.

An endless number of men have one or more of the above symptoms drag from lay to day in despair of a prosperous, happy future, and well t may, for if neglected their health is sure to be wrecked by a complete loss physical, mental and sexual power.

My method completely and permanently revives manhood after "cureall" remedies and "quickcure" specialists fail to even benefit.

My scientific, systematic course of treatment for weak, nervous, brokendown youths and men, who have, through folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life, is a system that has been tested many times over and proven entirely satisfactory in every case. It is totally different from the many sickening pills and tablets, and the stimulating, stomach-rulning drugs given by would-be specialists. My specific treatment for all the symptoms indicating Failing Manhood is harmless, though so effective as to remove them immediately. It is constitutional; therefore, by purifying and enriching the blood, strengthening the nervous system, nourishing the tissues, the patient becomes strong and healthy with all signs of trouble forever gone. The treatment is to the human system what the sap is to the tree—it buds energy, ambition and confidence that leaf into a prime, healthy, vigorous feeling of new life.

I treat and cure all such pelvic diseases as PILES, FISTULA, RUPTURE, VARICOCELE, HYDROCELE, BLOOD POISON, SKIN DISEASES, SORES, ULCERS, NERVOUS DECLINE, and diseases of the KIDNEYS, BLADDER AND PROSTATE. My method of treating these diseases has proven so successful that I guarantee a permanent cure in every case accepted, and contract by a written instrument to produce permanent and satisfactory results or refund money. IMPORTANT-I will cure you for less money than you can be treated

for by any other specialist in Salt Lake. You may have to come to me sooner of later in order to be properly cured; why not before you have lost your money in doctoring with cheap, unskilled specialists? CURE OR NO CHARGE-ABSOLUTELY NO CHARGE UNLESS SAT-ISFACTION IS GIVEN. Every patient is given a written guarantee to re-

fund every dollar paid for services if they do not receive a complete, lifelong cure and entire satisfaction, and I have made a deposit of \$500.00 in the bank to secure any contract that is not fulfilled.
